TURN ON THE RAIN

If we could only turn on the rain taps and get a bountiful downpour now almost everyone would be very happy.

Control of the rain by any human would usually be a very, very dangerous responsibility. Someone would be bound to suffer, or at least be sorely upset, as a rule. But not now. We think almost everyone would like to have the rain — and plenty of it right now.

The most ideal rainfall is the kind that comes down heavily during the night, then tapers off just as we come to work in the morning. Right now, though, we will take it anytime.

In fact, we had better have some pretty soon, or we won't need to come to work.

For years we have been hearing about a "dry cycle" and then a wet cycle. It seems the wet cycle has been a long time in coming.

98 PERCENT RIGHT

An interesting subject is up for discussion at tonight's meeting of the Sierra Vista P-T A. Frank O. McIntyre of the California Teachers Assn. will speak on the "98 Percent of the Juveniles Who Are Not Delinquent".

His title makes a good point—almost all of the boys and girls of today are very normal; only occasionally does a youngster get out of bounds.

POPULAR PIE

Apple is the favorite pie of most people, according to John Bice, this city's R.F.D. mail carrier, who in his spare time helps out as part-owner of the town's doughnut shop.

"Cherry and berry" are also quite popular, observed the crew hair cut smiling coffee tender and mailman.

WHERE IS DRAKE?

Among the oldest streets in Upland is Drake. Mrs. Claud Stevens, who lives there, is certain that many people in town do not know where it is. We can locate it — and every thoroughfare in the community; but then that is our job. Suffice it to say Drake is reached just off Arrow Hwy., the first thoroughfare east of Central Ave. Ave.

Can you locate these thoroughfares: Avenida Vejar, Buena Vista, Leeds Ave. and Burgundy Ave.

EUCLID MIX-UP

One of the worst traffic hazards here is at Euclid Ave. and Foothill Blvd.

California highway department officials are well aware of the dangerous situation — and so are local officials. At some time in the future, additional signals will be placed there to help remove the confusion. But time is going on rapidly — and an improvement is long over due.

Motorists who are well acquainted with the double-drive intersection have little trouble but tourists and others who seldom cross there are confused. Often times they find themselves in the middle with cars speeding all around them.

Luckily, no fatalities have occurred there recently. That is a wonder.

Little League Meeting Called Monday Night

Little league baseball plans are to be set in motion at a meeting Monday 7:30 p.m. in the I.O.O.F. Hall.

All parents, youngsters, interested persons, future baseball team managers and the general public are being invited to the first general meeting of the season to make plans for the youth activity starting late in the spring.

Garwood Warders, head of the Upland Little League Assn., has called the meeting and asked all intrested persons to attend and participate in planning for the biggest activity. More teams are likely with increased facilities.

"This is an important meeting for the summer program and I urge every person with any connection with baseball and any interest in the local youth program to attend", Mr. Warders said.

Scout Council Meeting Called

First meeting of the Upland-Foothill Boy Scout council will be held Monday, 7:30 p.m. in the Upland city hall, Clinton . Thompson, chairman, has announced.

This meeting is to include all institutional repres entatives, members at large and members of the commissioner's staff. Mr. Thompson was reelected and other officers were chosen at the recent annual meeting. Plans for the year will be discussed.

Counter Move Against Change In School Boundaries Talked

As the result of the disappointment of many persons in Friday's school boundary election results, possibility of a "counter move" is being studied today.

Some families east of Euclid Ave., who reside near the Edison and other Ontario schools, are obtaining information as to the possibility of permitting their children to continue to attend the Ontario schools.

Homer Briggs, superintendent of the Ontario schools, conferred Tuesday with a delegation of mothers who sought information as to how soon another boundary change election could be called and to seek other data concerning the situation.

Friday's election result will change the area south of the Santa Fe to the Upland school district as of July 1. Mr. Briggs said he told the delegation another boundary election could not be called for a year. Whether any action will be taken has not been determined.

Residents west of Euclid gave Friday's issue a heavy "Yes" vote while east of Euclid more people voted "No" than for the change. The total "yes" vote, however, was sufficient to give an easy margin in favor of the change.

An inter-district agreement between Upland and Ontario school officials is possible, Mrs. Briggs said.

Upland board of education members will meet Jan. 30 in an adjourned session to consider calling a bond issue for construction of more classrooms.

Service To Be Topic at Meeting Increase In Upland Chamber

Future scope of service for the Upland chamber of commerce will be informally discussed at a meeting of directors in the Home cafe Tuesday morning.

Employment of a person to handle all contacts outside the chamber office is being considered as one possibility. Ford Seward, manager of Ontario's business and industrial organization, will be present to discuss the possibilities.

Ralph H. Miller, president, said the meeting was called to provide an opportunity to discuss the opportunities ahead for the business community and the best ways to meet the challenge. "I think the organization should give more service to the community than is possible now", he added.

Mrs. Lillian Hilde, secretary, is required to remain in the office to provide information and to give service to all inquiries. An additional person may be employed part-time to handle contacts and to help develop the business community, Mr. Miller explained.

"At least, the directors will be given an opportunity to discuss the matter", he said. "I hope more meetings will be held so all members can express their views".

Public Awaits Hearing

Plans Checked For New Crossing At Santa Fe

Progress is reported today on the city's efforts in obtainina a new Second Ave. crossing at the Santa Fe and a public hearing before the California Public Utilities commission is in the future.

Tentative engineering plans from the city's engineering department are being checked by the Santa Fe authorities. When these plans are approved, it will be up to the city to file an application with the commission for the right to have a new crossing. Permission for such a crossing has been informally given by Howard Christensen, senior traffic engineer.

Mr. Christensen and others were here a year ago to personally inspect the situation. This visit started preparations for the possible linking of North and South Second Ave. by a new grade crossing. Since then various engineering plans have been discussed. What is expected to be a final draft is now being checked by Los Angeles rail authorities. Elwin Alder, city manager, is in close touch with the situation.

The proposed plan calls for closing of the Sultana Ave. crossing when the Second Ave. crossing is opened.

Protests against closing of Sultana Ave. have been filed with Santa Fe officials. Purpose of the public hearing will be to hear evidence for such a protest and final decision will rest with the commission members, Mr. Alder explained.

Two Candidates for City Hall

John Nicholson, vice president of the Upland Kiwanis club and president of the Upland High School Parent-Teacher Assn., who i sa candidate for the Upland city council.

Willl R. Mason is familiar with governmental problems, having served for years as a member of the San Bernardino county board of supervisors. He has announced plans to become a candidate at the Upland city council election in April.

Will Mason To Be Candidate For City Council

Joining the list of candidates for two places on the Upland city council is Will R. Mason, 559 N. Euclid Ave. The municipal election will be held in April.

A long-time resident and a member of the San Bernardino county board of supervisors 10½ years, Mr. Mason has accepted the suggestions from close friends to offer his services to the municipality. A citrus krower, Mr. Mason is also interested in all phases of community development.

He is the second person to announce his plans for becoming a candidate at the April election. John Nicholson, 289 W. Ninth St., is the other aspirant.

Two terms expire, those of Mayor E. Tweed Stone and Eugene G. Nisbet. Mr. Nisbet has announced he will not seek his council post but will concentrate on his candidacy for reelection as a member of the state legislature. Mr. Stone has given no indication of his plans although observers are counting upon him seeking re-election.

Candidacy of Mr. Mason is expected to create considerable interest in the city contest. He served as county supervisor until a year ago when he was succeeded on the board in the courthouse by Dan Mikesell.

Palmer Says City Free of Any Dope Peddlers

Upland was not included in the "Operation Midnight" that occured last week when more than 30 persons were arrested by state and county authorities in dope raids, according to Upland Police Chief Ralph H. Palmer.

Chief Palmer was advised in advance of the county-wide plan to apprehend dope peddlers and a thorough check was made here and elsewhere for suspects.

"While we knew of the impending dope raids Upland was not included because we have no one here", Mr. Palmer said. "This city is very clean in that respect and it stays that way".

Mr. Palmer said that occasionally rumors develop about dope being sold but investigation has found that in such cases out-of-town sources have come here seeking customers.

" Our men are constantly on the alert to the possibility of peddlers and users being here," the chief explained.

"A very careful plan is always followed in apprehending suspects and we are going to make every possible effort to keep our community dope-free", the chief added.

Mr. Palmer knew several weeks ago of the plan to close in on the dope sources in the county. Along with other law enforcement officers in the county, he was advised of the united efforts of Sheriff Frank Bland and state narcotics enforcement officers.

School Board To Plan Bond Issue And Needs On Jan. 30

Amount and date of an enlarged Upland school district bond issue are scheduled to be set at an adjourned meeting of the Upland board of education Jan. 30, Allan S. Barr, chairman of the board, said yesterday.

By a vote of 222 to 138, voters in Upland annex No. 4 enlarged the boundaries of the school district, extending them south to the San Bernardino freeway. In the special election Friday, voters in the area between the Santa Fe right-of-way and the freeway voted to secede from the Ontario school district and join the Upland school district.

Members of the Upland school board had previously planned the adjourned meeting so the bond issue decision would be made in the light of Friday's results. A larger issue than might have otherwise be required is scheduled for an early vote, according to Upland school officials.

About 500 students who have been attending Ontario schools will be in the Upland classrooms with the start of the 1956-57 school year.

Proceeds from the proposed bond issue will eventually relieve the classroom congestion. In the meantime, Upland school officials will be faced with handling the situation with available classrooms. An addition now being built at the Baldy View school will provide some help in the meantime, it is pointed out.

Outcome of the Friday vote was awaited with interest by many persons within the area as well as many other persons.

Mr. and Mrs. R. E. Totten, among the leaders opposing the boundary change, issued a statement this week concerning the outcome. It follows:

"As the majority wish of the people in annex 4 has been made known, it now behooves each and every one of us to work together for the good of our children and the Upland school district.

"The Upland school board will now be undertaking a tremendous task in which they must have our wholehearted support, patience and cooperation.

"In the very near future, you will be asked to vote a bond issue to take care of this sudden influx of school population. Let's show Mr. Harold Cook and members of the Upland board, that we are 100 percent behind them.

"Very truly yours,

"Mr. & Mrs. R. E. Totten."

Pipe Organ Is Installed At Upland College

Being installed today at Upland college is a two-manual pipe organ. It is being placed in the college chapel and will be used for teaching and for choral playing, according to president John Z. Martin. Remodeling of the building is under way to make room for the chambers to house the 507 pipes of the eight rank two-manual and pedal pipe organ.

"Previous tests with electronic instruments and comparison tests with other pipe instruments seemed to indicate that this instrument would serve the need of the local college in an excellent way," Mr. Martin said.

The organ, which has just been rebuilt by the California Organ Co., is powered by a three-fourths Morse power Spencer turbin blower that has an output of 500 cubic feet per minute. Brand new, an organ of this quality would be worth around $10,000. The console of the eight-stop organ is new.

The organ will be available for instruction of students studying under Dr. William Blanchard of Claremont and Miss Marilyn Dietz also of Claremont, instructor of beginning organ for the local institution.

As an addition to the music department, it is believed that this organ will enhance the offering of the local institution in that use of a pipe organ has always been the ultimate in classical playing.

Police Study Awaits Approval On Finances

Selection of an organization to make a survey of the Upland police department services and personnel is expected this week.

City Manager Elwin Alder had been authorized previously by the Upland councilmen complete arrangements but since the tentative cost for the survey totaled about $1,200, no action was taken.

Mr. Alder has referred the matter to the finance committee. Robert Thrall, committee chairman, said in all probability the committee would meet and perhaps report on the matter at tonight's council meeting.

The survey was authorized following suggestions the city engage a full-time juvenile officer. Rather than to immediately accede to the suggestion, the councilmen chose to first make a survey to determine if the police department needs any reorganization.

OUT OF HOSPITAL

Mrs. John Andreas, 515 W. 17th St., who was injured in a traffic accident, Dec. 26, was discharged from San Antonio Community hospital, Tuesday.

P-TA Women Prepared to Help March of Dimes

This community is going to have a benefit dance for the March of Dimes and shown here are ticket chairmen for each of the Parent-Teacher Assns. in Upland. The dance will be Jan. 28 in the gymnasium in the Upland junior high school. The event is sponsored by the Upland Elementary P-TA with the full cooperation of all the other parent-teacher groups here. A capacity crowd is anticipated. Shown above are ticket chairmen from each P-TA, left to right are: Mrs. Boris Cherbak, Baldy View; Mrs. Harold D. Camilli, Sierra Vista; Mrs. Edward K. Hansen, Upland Junior High, and Mrs. Rick Byrket, Upland Elementary.

Intersection Scene Of Accident With Four Persons Hurt

An apparent victim of confusion at the Euclid Ave. and Foothill Blvd. crossing Monday afternoon was Helge Sherven, Charlton, N. D., whose car was involved in an accident. His machine was struck by a westbound auto driven by Cesarea E. Carreon, Glendora.

Injured were four persons, Mr. Carreon and his wife, their son, John, and Mrs. Helge Sherven. They were treated at the San Antonio Community hospital.

S.A. Dam To Be Ready March 17

March 17 is the tentative date for completion of the San Antonio canyon flood control dam.

Being poured yesterday was the concrete for the floor for the control house, the final structure to be completed in the multimillion dollar project. Seventy persons were employed earlier in the year but this number is being steadily reduced as the work requirements lessen.

All the spillways are complete except the final placing of "back fills", according to a spokesman at the office of the U. S. army engineers.

The project has been enough completed to handle any flood water for several weeks. There has been no water to handle, however.

City's Anniversary Plans Being Talked

Tentative plans are being discussed for the city's fiftieth anniversary celebration.

Mrs. Lillian Hilde, Upland chamber of commerce secretary, said that a definite date will be set for early in May.

Cucamonga Mail Service Has Opening

An opening of "mail messenger" exists on the staff of the Cucamonga post office and interested persons may contact Postmaster Anton Blatnick.

Andrew Cucci, 8430 Archibald Ave., Cucamonga, has resigned after serving since 1947. His service is that of taking mail between the Alta Loma, Cucamonga and Guasti post offices three times a day, six days a week.

A contract is given on a bid basis. Mr. Blatnick said he would be glad to give information to all interested persons.

Van Tubergen To Aid Boy Scout Work Here

George Van Tubergen has been appointed district executive of the Old Baldy council of Boy Scouts to serve the Upland-Foothill and Ontario districts. Previously, he had served the Ontario and Claremont districts.

Mr. Van Tubergen succeeds Jack A. Hurt, who accepted a position sometime ago with the Boy Scout organization in San Francisco.

New Zoning Ordinance For Upland Nears Final Study

Further progress is likely to be made next week in adoption of a new zoning ordinance for the city.

Members of the Upland city planning commission today have copies of a proposed ordinance, revising, clarifying and making more practical the city's zoning program. Simon Eisner, planning consultant, along with the commission members, have been working for many months on the proposed changes. Richard Derby, building inspector, and other department heads, have had a part in suggesting changes.

Charles Elliott was the planning consultant in the drafting of the city's master zoning program. The document at that time was deemed satisfactory. Since come apparent in the practical then, needed changes have beapplication of the ordinance.

Mr. Eisner filed the proposed document with the commission a month ago. Since then the members have analyzed the proposal and suggested more changes. The commission members meet next Thursday when the document may be given their approval.

A public hearing will be held by the commission so local residents can be advised of the proposal. Later, the city councilmen will be given the document for study. Another public hearing will be held by the councilmen prior to its adoption. The new ordinance may be adopted in time to become effective within six months.

Bond Issue Data Being Compiled

Looking to a $750,000 sewer bond issue for the city election in April, a resolution may be presented at the Feb. 2 meeting of the Upland city council. City Attorney Henry M. Busch is working closely with bond attorneys and with Ontario relative to the proposal.

Since Upland and Ontario jointly own a sewerage disposal plant and since passage of a bond issue in each community may be contingent upon the success of each community, various agencies are interested in the project.

It is proposed the bond issue will be presented to a vote at the time of the April city election. Mr. Busch said the resolution would have to be presented to the council soon so all legal requirements would be observed.

Alex Vejar P-T Speaker

The third in a series of arm chair tours of neighboring lands will be presented tonight in Cucamonga district school by the P-T A. Alex Vejar, sixth grade teacher, will speak and show color slides of his trip to Mexico, last summer.

Scout Committee Heads Named

Names of men to head up various Boy Scout activities in the Upland-Foothill district have been announced by Clinton V. Thompson, chairman.

Harland P. Horak will serve as vice chairman.

Heads of activities follow: Don Gannon, activities; Don Priest, advancement; Delbert Hensley, organization and extension; Howard N. Mason, finance; Dr. Kenneth Wilcox, training and Dr. Lyle W. Callow, health and safety.

Legion Team Wins Trophy

Upland American Legion was awarded the baseball trophy at the 25th district meeting in the Ontario Legion hall Sunday. Ted Miller is the team manager. The local nine has captured the trophy five times in six years.

Principal speaker at the gathering was Joe Farber, California Department commander.

Sherman Bennett, commander, Herrington Barton, James Larkin, Randall McNab, Herman Wesp, Frank Sarabia, Harry Plum, Houston Dewey and Milton Fisher, attended from the Upland post.

Uplander Receives Highest Scout Honor

Mr. and Mrs. Howard Mason, Upland, on the right, and Don Salado, Pomona, are receiving congratulations from J. Harold Williams, the men having been awarded the silver beaver, highest Boy Scout honors for adults. The awards were made at the annual meeting of the Old Baldy Boy Scout council Friday night. Mr. Mason was given the honor for his outstanding work in many phases of Boy Scout activities. (Progress-Bulletin Photo).

Howard Mason Given Highest Scout Honor

Howard Mason, 975 Hillcrest Dr., San Antonio Heights, today has the distinction of being the possessor of the coveted Silver Beaver award, the highest possible honor for Boy Scout leaders.

The presentation was made as an outstanding feature at the annual meeting of the Old Baldy council of Boy Scouts in Claremont Friday night. The award goes only to a leader who has achieved an outstanding record in scouting and in other phases of community life.

Not until the surprise announcement was made late in the meeting was it known that Mr. Mason had been selected from this area as the recipient of the annual coveted award.

Many other features were on the program, including election of officers. Clinton V. Thompson, president of the Upland-Foothill area, was named a district chairman in the Old Baldy organization. William Tangeman is a member at large on the executive board for this area. Others named as members of the executive board from this area are Don Maroney, Arthur Bridge, E. Tweed Stone, Jack Frost, Dr. Lyle Callow and Elwin Alder.

Several persons from the Upland area will serve on the Ontario scout council. These include M. K. Smith, Henry Vollersen and Glen Finley.

Drama Group Hears Expert

Members of the drama section of the Upland Woman's club met Monday evening in the home of Mrs. Harry Wright, when the speaker was Bill Simonsen, head of the speech and drama department at Chaffey High school.

Mr. Simonsen dealt with all phases of the work including play selection, casting and rehearsals.

Mrs. Bruce Claflin was named to select the outing which members will take at the end of the season.

Mrs. Wright, chairman, distributed four books to Mesdames Jay Leman, Carlos Jacobs, Anthony Barone and Ed Hansen, asking them to read plays contained and suggest selections for the play to be presented in April.

Also present were Mesdames Ralph Almquist, Elmer Redfield, C. S. Stowell, J. B. Swingle and Wm. A. Smith.

You are living in the Upland district; then keep closely in touch with all community activities through The Upland News.

New Officers Introduced

The Immaculate Conception guild of St. Joseph's Catholic church, met recently in the home of Mrs. Dale Pulver, 834 N. Second Ave., when Mrs. Harry Wright, newly elected captain, presided and introduced the new officers: Mrs. Mariana Martinez, co-captain; Mrs. Joseph De Carli, secretary; Mrs. Dale Pulver, treasurer.

Also introduced were committee chairman: Mesdames Lumir Kulhavey, Anthony Keyes, Joe Medel and Louise Citroni, Othelia Guthrie, Martinez and Joseph Atencio.

Mrs. Julian Anguiana will be in charge of the tamale sale, Mar. 11, outside the church.

Mrs. James Beggs, retiring captain, was presented with a gift, by Mrs. Wright, on behalf of members. Mrs. Wright expressed appreciation of Mrs. Beggs' work as captain.

Mrs. Louise Esser, Minneapolis, the mother of Mrs. Pulver, was a guest.

Refreshments were served by the hostess, who was assisted by her daughter, Miss Mary Pulver.

Vice-Commander Legion Speaker

Harry Deputy, first vice commander of the 25th district, was the speaker at the American Legion, last night, when members were served a pheasant dinner.

Sherman Bennett, commander, presided, and the speaker gave an address on membership and other matters of interest to veterans.

New Officers Take Over Catholic Guild

St. Catherine's guild of St. Joseph's Catholic church, met last week, in the home of Mrs. Stephen Fulier, 891 N. 11th Ave., when Mrs. Allen T. Mitchell, Sr., retiring captain, installed new officers.

They are Miss Marian Clark, captain; Mrs. Joseph Seitz, treasurer; and Mrs. Douglas Harp, secretary.

Mrs. Ralph Ambler presented Miss Cameron with a unique gavel. With 21 members present the door prize went to Mrs. Seitz.

At Hospital Auxiliary

Science Unlocks Nature's Citrus Fruit Health Secret

Hesperidin C, a vital substance found in citrus fruits and ascorbic acids, was explained to members of San Antonio hospital auxiliary, Monday, at a meeting in the hospital by Richard C. Bruner, director pharmaceutical division, Sunkist Growers, Ontario.

Stating that its use prevents spontaneous habitual abortion, he said women, who otherwise would lose their babies, have gone through full term pregnancy when taking it. He claimed it has been effective in the treatment of rheumatic fever, and in restoration of muscles after polio attacks.

"The Golden Apple", a film the speaker showed, traced the historical development of citrus bioflavonoids, from the 10th century, when they were used by Chinese and Koreans, and in 1747 when their use prevented scurvy on ships, to the present day development and packaging of Hesperidin C.

Also stressed by the speaker was the use of citrus pectin in the study of bacteria. He explained that comprehensive studies show orange juice contains 150 compounds, including carbohydrates, organic acids, vitamins, nitrogen bases and glutahione. Research and development on these compounds is done in Ontario and Corona, he said, and the products are then sent to leading drug houses for packaging.

Mr. Bruner received his education in Montana State college and has since done research in famous laboratories. He is a recognised authority in the fields of hormones, glandular extracts, amino acids and bioflavonoids.

Mrs. L. Cletus Gallagher, auxiliary president, introduced the speaker.

During the business session the meeting voted to provide a pre-surgical play room for child patients in the hospital. It is planned as part of the new wing. Funds raised by the auxiliary's spring dance will go to this fund.

Mrs. Earl Johnson, sick baby fund chairman, reported four babies were cared for since November, at a cost of $715.34. Mrs. Norman Lawson, free bed fund chairman, reported three cases cared for at a cost of $602.56.

Mrs. Robert Bowman, organizational membership chairman, reported 33 organizations have forwarded dues. Mrs. E. F. Pelton, personal membership chairman, announced 80 paid memberships. Dues are now payable, she reported, at $1. a year.

Mrs. Gallagher introduced and welcomed the following new members:

Mrs. Alvin Eshelman, of the Sewing circle of the Brethren in Christ church; Mrs. Don Blair, Cucamonga Methodist church, Mrs. Chester Eckman and Mrs. Murray Hays.

Approximately 60 members attended the meeting.

Questers Hear Poem Reading

Members of the Questers' Garden club met Friday, in the home of Mrs. C. W. Hall, president, when Mrs. Walter Hewitt read the poem, "One Rose".

Others present were:

Mesdames Ralph Furtado, Harold Rowe, A. B. Clarke, H. B. Jones, Jack Pettit, C. M. Redmon, Hal Nelson, S. R. Smith and Miss Willamene Harnly.

W.S.C.S. Hears, Sees Mass Feed

"Food for Millions", the film with a narration by Adela Rogers St. John proved a thrilling experience for members of the W.C.S.C., of the First Methodist church at last week's meeting.

While the picture described feeding the Navajos, those present learned that the balanced diet, contained in three ounces is produced and distributed at a cost of three cents and is being used in the near and far east, to alleviate hunger.

The food, developed at California Polytechnic Institute by nutritionists, has a cereal base, with minerals and vitamins added. Los Angeles is the headquarters of the project.

Miss Frances Massey presented the program.

Mrs. Grant Brown, president, presided at the business section when projects for the year were planned.

Luncheon was served by members of Beulah Circle.

Members of the Upland Methodist church attended special seminar training classes in the Glendale church last week. Among those attending were James Manolis, youth director; Mr. and Mrs. Everett Johnson, counselors; Miss Kay Grimmesey, Mrs. W. W. Mather, Mrs. H. J. Clewett, Mrs. Leonard Mather, Mrs. Howard Paulin, Mrs. Vernon V. Paine, Mrs. Shirley Leeter, and Dr. and Mrs. Ralph W. Lee.

High School Annual Staff Prepares First Edition

Members of the Upland High School Annual, "Hieland," are busy preparing the historic first edition, under the tutelage of Harlow Smith, journalism instructor. Pictured are staff members, seated, left to right: Nan Habegger, Carmen Villalabos, Marie Anne Patane, Diana Guttero, editor; Linda Moseley, Phyllis Croghan and Dolly Castro; standing: Gail Shaffer, Brenda O'Dell, Linda Baker, Jan Shackelford, Judy O'Brien, Virginia Brancacio, Mary Barton, Sandy Skilling and Walter Sireika.

Merrie Marrieds Dine, Play Games

The Merrie Marrieds of the First Methodist church, met Saturday evening for dinner in the church parlor, with Mrs. Charles Jacobs in charge of arrangements for contributed dishes.

Mrs. Carl Hess was in charge of a games period that followed. Devotions were led by Dale Stevens.

Also present were: Messrs. and Mmes. Robert Lewis, Gerry Crosier, Mr. Jacobs and Mrs. Stevens.

The February meeting will take the form of a progressive dinner in the homes of members.

Plenty of free parking in Upland.

Diana Guttero Annual Editor

Upland High school's first annual, "The Hielan", will be published in June, and orders are now being taken, according to Harlow Smith, journalism instructor.

Staff members include the following:

Diana Guttero, editor; Carmen Villalobos, assistant editor; Nan Habegger, art editor; Linda Baker, sophomore class; Rosie Ortega, Walter Sireika, sophomore make-up; Virginia Brancacio, freshman class; Judy O'Brien and Sandra Skilling, freshmen make-up; Marie Anne Patane, features; Charles Schroyer, boys sports; Dolly Castro, girls sports; Phyllis Croghan, scramble page; Mary Barton and Brenda O'Dell, secretaries.

The publication, to be printed by offset lithography, will have 80 pages and a hard cover.

The name "Hielan" means Highlanders, according to Scots authorities and was chosen by the student body executive committee and the legislative council.

The new editor is the daughter of Mr. and Mrs. Romolo Guttero, 8151 Ninth St., Cucamonga.

German Talks About Schools

Dr. Adolf Klinkers, a Fullbright exchange teacher from Zelles, Germany, now on the staff at Chaffey, was the speaker at the recent meeting of the Upland-Ontario branch American Assn. of University Women.

Starting with a comprehensive explanation of the German education system, he spoke on U. S. education methods.

He explained that junior college in this country is comparable to high school in Germany. Only about six percent of German youth go to universities and for many of them it is their first experience in co-education. Schools up to the level of university, in Germany, separate the boy and girl students, except in some small centers, he said.

Hostesses included Mrs. O. B. Thomson, Mrs. Helen Earle Dorothy Roberts and Mrs. and Mrs. W. C. Talleur. Miss Marjorie Bundgard poured. About 50 guests were served refreshments.

Tea To Follow Woman's Club Study Group

Backward Activities Underway By High School Students Here

Things are backwards on the Upland high school campus this week. Usually boys as young gentlemen are to show courtesies to girls. Not so, this week. Things are in reverse in an annual observance of "Backwards Week". The week will be climaxed with a backwards dance in the high school gymnasium Friday.

Monday was "Ima Mouse Day" when tickets were sold to boys who wished to have girls carry their books. Tuesday was "Salaam day" during which girls bowed when meeting a boy. Yesterday was shoe shine day. "I Am Conceited Day", prevails today when girls will be given two tickets. During the day they will try to get the boys to talk to them. If they succeed, they will present each boy with one of the tickets which read: "I Am Conceited". On Friday, the girls will wear their dresses backward.

Jeanette Amberson, president of the Girls' league, is chairman for the week and for the dance. Miss Florence Armstrong and Miss Gay Fisher and Mrs. Ruth Johnson are faculty sponsors.

Various committees are aiding in the details, members of which follow:

Invitations and bids— Jerry Dickason; Tickets— Sandy Collins, Alta Wilbright, Dolly Castro, Jenny Delaney, Helen Gay, Janice Jong and Beverly Woodside.

Advertising— Lietta Gilliland, Claudia Barbour, Phyllis Croghan, Ellaine Quashnick, Gloria Duran, Madeline Furry and Sharon Wenger; Checkroom— Jean Thompson, Diane Holloway, Kathy Redigonda, Rosemarie Mandala and Bobby Benninghoff.

Program— Carole Berckoff, Mary Jo Barton, Diane McMurdo, Diane Claflin and Kay Gannon; Music— Diane Claflin, Alda Campanella, Diane Holloway, Brenda O'Dell, Nancy Chalberg and Donna Busch; Decorations— Deanna Shorts, Janean Boyer, Nancy Edwards, Carlene Franks, Linda Gillespie, Deanne Miller, Charon McCoy, Pat McNay, Dorothy Price, Susan Rush, Genevieve Talley, Suzanne Vancil, Rose Whittaker, Suzan Young, Judy McCorkell and Jerry Dickason.

Refreshments— Jean Thayer, Linda Baker, Linda Blackwood, Lois Nelson, Janet Ford and Dee Dorsett. Clean-up committee— Jeanette Amberson, Carlene Franks, Linda Gillespie, Pat Lemon, Dorothy Price and Kathy Redigonda.

Past presidents who were honored at last week's meeting of the Alta Loma-Cucamonga Woman's club, at a luncheon in Mural House, are pictured standing, left to right, Mesdames Asger Ravn, Harry Wright, Ray Derfer, Lewis Gilbert, J. D. MacPherson, and W. H. Powelson. Seated with past president Mrs. L. J. Lewis is Mrs. Arthur Allen, who is now in office.

Club Honors Former Heads In Cucamonga

Past presidents of the Alta Loma Cucamonga Woman's club were honored at last week's luncheon meeting in the Mural House, Ontario. Mrs. Arthur Allen, president, presided and introduced the honored guests.

Mrs. Tom Moore, chairman of the ways and means committee announced arrangements for a foodless food sale.

Mrs. Lewis Gilbert, reported on the March of Dimes and invited members to contribute.

The art of china painting was explained by Mrs. Harry Wright, who displayed many examples of her hobby, on which she has worked for a number of years.

Past presidents, Mesdames L. J. Thomas, Asger Ravn, Harry Wright, Ray Derfer, Lewis Gilbert, J. D. MacPherson and W. H. Powelson, were each presented with a camellia corsage.

Pretty arrangements of pink camellias and greenery decorated the tables.

Hostesses were Mesdames Steve DeAmbrogio, McPherson V. Harvey, Ralph Sage, Thomas Leslie Foster and Robert Nesbit.

Cucamonga Buys Old School As Site for Community Center

Service Club Gets Property; To Build on Site

Cucamonga clubs are going to have a community center.

The one-time Cucamonga Central school building on the north side of San Bernardino Rd. at Hellman Ave. has been purchased. It will be razed and the site cleared for a new structure.

The Cucamonga Service club recently purchased the building for $1,575, buying the property from the Cucamonga Elementary board of education. Cucamonga District Lions club, the Cucamonga-Alta Loma Woman's club and perhaps other Cucamonga organizations will participate in the use and maintenance of the structure. Title to the property will be in the name of the Cucamonga Service club, according to Herbert Vaughn, president.

When the historic old building is torn down, a new structure will be erected. Tentative plans call for a structure 50 feet by 100 feet with a large auditorium for community use. A kitchen is to be included and the building is expected to become the meeting center for the many organizations in Cucamonga. Also included will be an apartment for the caretaker.

There will be a joint meeting of the interested clubs before the end of the month, according to Herbert J. Vaughan, Service club president, when it is expected agreements will be signed after final plans have been completed. Building is expected to start in six months' time, Mr. Vaughan indicated.

Recreation Activity For Nazarenes Friday Night

A recreation program is planned for young people of the Upland Nazarene church Friday at 7 p.m.

As to the Sunday services, the Rev. William Thompson will speak at 10:50 a.m. and 7:30 p.m. The Junior society, N.Y.P.S. and Class meeting will be held at 6 p.m.

CLIVE HALSEY

Evangelist Clive Halsey will speak in the Upland Foursquare church, Eighth St., and Campus Ave., Sunday, 7 p.m.

Rev. Dale Reynolds, pastor, states that Mr. Halsey has experienced a real ministry in praying for the sick and afflicted.

The Rev. Mr. Reynolds will speak during the morning service when his topic will be, "Christians or Infidels".

Sunday school at 9:45 a.m., is in charge of the Rev. Cheridale Reynolds, superintendent. There will be a Foursquare Youth srvic at 6:15 p.m.

Mennonites Officers; Rev. Goering Honored

Fred Yoder was reelected president and Paul F. Schowalter was reelected vice president of the Mennonite church council at the annual meeting recently.

Other officers are Miss Cornelia Born, secretary; G. E. Schmidt, treasurer; T. C. Boshart and Albert Schmutz, deacons; Denard Loganbill, trustee; Mrs. Agnes Mary Willis, member of Christian board of education and Mrs. T. C. Boshart, superintendent of Christian endeavor.

The Rev. Paul Goering was reelected for another three year term. His present assignment expires in July but the action at the annual meeting will extend his service through the middle of 1959.

A church membership of 262 was reported. Walter Mertz is Sunday school superintendent.

Dr. Lee's Sermon Topic on Christ

"On Taking Christ Seriously", will be the sermon topic of Dr. Ralph W. Lee, minister of the First Methodist church, Sunday at 11 a.m.

James Randles, Jr., baritone, will be the soloist with Mary Jane Hess the organ accompanist in an anthem by the choir.

The vesper service will be held at 7 p.m., with a meditation by Dr. Lee on "Is Religion Escape?" A singspiration will be led by Carl Hess.

W.C.T.U. Plans Work Details

The W.C.T.U. meeting, Friday, 10 a.m., in the Nazarene church will be a county institute at which 10 different departments will make detailed work plans of future activities. Mrs. R. H. Marr will act as chairman. Mrs. James Merchant, Upland president, will welcome guests.

Participants will also include Mrs. Minnie Clark, county president and Mrs. Dorothy Jappe, Fontana, vice-president and moral education chairman.

You are living in the Upland district; then keep closely in touch with all community activities through The Upland News.

Youth Rally Sunday To Feature Haven of Rest Quartet and Program

Featuring the Haven of Rest quartet and First Mate Bob, an annual mid-winter youth rally will be held in the Brethren in Christ church at 3:30 p.m. Sunday. The rally is sponsored by the commission on youth of the local church.

A lively program of inspirational and interesting activities will key-note the afternoon program with the famous radio quartet as the main feature of the evening service.

The program will bring special numbers in song by the Upland College Motet choir under the direction of H. Royce Saltzman, who will be in charge of the music for the service.

A special panel of Upland people will participate in a Biblical Version of "What's My Line". Included in the panel will be Dr. Wendell Harmon, George Schipper, Miss Nancy Engle and Miss Gloria Eckman.

Representatives of various youth groups of the Southern California area will present summaries of programs they have found most interesting in their youth sessions.

Another feature will be a debate: "Resolved that Christ's Crusaders is Meeting the Needs of Our Young People". Joan Byer and Shirley Book will take the affirmative position, and Harold Engle and Dave Carlson will speak on the negative.

Ernie Boyer is chairman of the commission on youth.

Side By Side Sermon Topic

"Side by Side", will be the sermon topic of the Rev. Trusten A. Hart, at both the 9:30 a.m. and the 11 a.m. services, Sunday, in the First Presbyterian church.

Sunday school will be at 9:30 a.m. and 11 a.m.

The Westminster Fellowship will meet in the church at 6:30 p.m.

Cucamonga Mesa Names Schowalter President, Notes Citrus Increases

This Is "Mr. Cucamonga"

Meet "Mr. Cucamonga of 1955." He is Ted Vath, recently chosen in a popular ballot as the person who had contributed most to the community during the year. Mr. Vath is proprietor of the Cucamonga Drug store. He has been active in all community projects. With his family he resides at 9225 Banyan Ave., Alta Loma.

Outlook Good For New Crop, Manager Reports

Paul F. Schowalter is president of the Cucamonga Mesa Growers, and other new officers were elected at the annual meeting held in the 19th St. packing house.

Arthur H. Bridge is first vice president; G. S. B. Ferguson, second vice president and directors are Ralph A. Sage and R. H. McLennan. Melvin E. Henderson was reelected secretary-manager.

Retiring directors were Norman S. Lawson and Emory S. Barkow, the by-laws limiting tenure of the elected officials.

Mr. Henderson reported that 47,652 more boxes of fruit were packed during the last season than in the previous period. Total labor cost for this additional volume averaged less than three cents a box, he said.

FRUIT IS LARGER

As to the 1956 season, Mr. Henderson said the "crop of navel oranges looks about the same as last season with the sizes larger. There is a good crop of lemons and the lemon trees are making a good recovery from the wind storms of the last two years".

Mr. Henderson said the "telescope type of fibreboard container that was developed by this association is now used almost exclusively by the industry." He said almost all of the fruit was shipped in these containers last year, grapefruit for the first time being shipped in containers with buyers giving them excellent reception."

The manager also reported a very substantial gain in acreage during the year.

PERCENTAGES CITED

An interesting sales feature was noted by Mr. Henderson who said the association shipped 16.4 percent of the lemon crop in export channels, compared with the industry average of 10.6 percent. The by-products grade was 26.4 percent as compared with the industry average of 34.1 percent.

Improvements within the building on 19th St. were reported, including a tele-fire system. A new type of electric lift truck for use in the lemon storage basement has been ordered, Mr. Henderson said.

Mr. Lawson, the retiring president, was given a vote of appreciation for his activity in the consolidation of the Old Baldy Citrus Assn. and the Alta Loma Heights Citrus Assn., into the Cucamonga Mesa organization.

Guest speakers at the meeting were D. F. McMillen, general manager of the Exchange Lemon Products Co., Corona, and James Finley, manager of the Exchange Orange Products Co.

"I don't believe the Soviets want war and they will probably try to avoid it if there's an adequate deterrent." Gen. Sir John Whiteley, high British officer.

Alta Loma Troop

With 75 persons in attendance a "Parents' Night" Alta Loma Boy Scout troop No. 1 program Monday night is regarded as one of the highlights in the community.

Dee Dellenbach, Pomona, former scoutmaster, was present as were many other scouting officials. Tony Rodriquez is scoutmaster of the troop and Harold Hamner is chairman of the troop committee. Scout commissioners in attendance were Ted Atwood, Al Basi and Clark Anderson.

New Officers For Kiwanis

REV. WILLIAM THOMPSON

The new president of the Upland Kiwanis club is the Rev. William Thompson, who assumed his new position the first of the year. He is minister of the Upland Nazarene church and becomes the second president of the new group, succeeding George Brannan.

Other new officers are John Nicholson, vice president; Oren Decker, secretary-treasurer and Rayburn Anderson, Gordon Burge, Alexander McLeish and William Woodward, directors.

P-TA Plans Hoop Games As School Benefit

Upland High school P-T A board members met in the administration building of the school, Monday evening, when they planned a fund raising basketball game, to be held, Feb. 3, in the school gymnasium.

The three scheduled games will see the Junior Varsity team playing a faculty team; fathers playing the B and C team and a mothers' team playing the Girls' High team.

On hand to add to the entertainment will be the high school band with cheer and song leaders.

Adult tickets will be 50 cents and student tickets will be 25 cents.

Mrs. B. M. Pace, hospitality chairman, will be in charge of refreshments. This is open to the public.

Mrs. L. B. Van Ornam, program chairman, announced the regular meeting will be informative and interesting, with each department of the school being heard from, giving the parents an opportunity to learn how each department operates for the benefit of students.

The first meeting will be Feb. 6, 7:30 p.m., when Thomas Glasheen, vice-principal, will present a panel on the guidance department. Speakers will explain the functioning of this department.

In March the English department will present a similar panel.

Open house at Upland High school is scheduled for Sunday, afternoon, Feb. 12, John Nicholson, P-T A president, announced.

Mrs. W. W. Woodward spoke on the importance of the Chaffey High school bond election on Feb. 17. She urged the importance of an affirmative vote stating that passage is vital to residents of Upland.

The following commtitee chairmen, recently appointed by Mr. Nicholson were introduced:

Allen Lynch, newsett; Miss Marjorie Pleasant, Mrs. Wilma Klepper, teachers, character and spiritual education.

It was decided to call the newsette, "Bagpipe Notes".

Red Cross Quota Set At $12,335

Mrs. Wass To Attend Convention; Pans Made For Annual Campaign

Mrs. Warren Wass, chairman, presided at the monthly meeting of the board of directors of the Upland chapter Red Cross, in the office Monday night, when she was appointed as a delegate to the 1956 national convention in St. Louis, Mo., June 4 to 6.

Members were advised that due to the floods in Northern California and Oregon the national budget has been raised to $8,000,000 and the local contribution to the national fund from $3520 to $4335, an increase of $815. William Walton, fund drive chairman of this year, who made this report, advised that Upland's quota will be $12,335, with local needs set at $8,000.

Mrs. Keith Koehler reported the November and December case load of the Home Service committee, of which she is chairman, had a case load at 73 families.

Mrs. Eleanor Taylor, executive secretary, reported on the motor service committee, in the absence of Mrs. Paul Kiszeli, chairman. Three trips were made to U. S. Naval hospital, Corona, in addition to the regular weekly drive for the Gray Ladies, one gifts donated by organizations and service clubs of Alta Loma, Cucamonga and Upland.

Attending the meeting but not previously mentioned were Mrs. J. W. Robertson, vice chairman; R. E. Gustafson, treasurer; Mrs. Ralph Hunt, Miss Margaret Kritzman, Mrs. P. K. Cameron, Asger Ravn, W. E. Walton, G. B. Warders, W. E. Silverthorne and R. A. Ray.

Edward Novelle Is New Kiwanis Member

Edward W. Novelle, an Upland subdivider, became a member of the Upland Kiwanis club at the Tuesday meeting in the Sycamore Inn. A former president of the Brea Kiwanis club, Mr. Novelle is a transfer.

The Rev. William Thompson, new president, presided for the first time and welcomed the new member. Norman Tanner, Lockheed Aircraft Corp. public relations director, presented a film on the air defenses.

Dr. Hugo Theorell, a leading Swedish biochemist, was awarded the 1955 Nobel prize in medicine for discoveries dealing with the nature and action of oxidation enzymes.

Legion Aids Flooded G.I.s

Mrs. Myrna Winecoop, East Pasadena, department president of the American Legion Auxiliary was the principal speaker at the District 25 meeting, Sunday in Ontario.

Uplanders attending the meeting included Mrs. Francis Rogers, president and district education chairman; Mesdames Edith Howarton, Ethel Marsh, W. E. Gillespie, Klester Fry, Herman Wesp and Houston Dewey and Mrs. J. Tilden Abram, president of the Ontario auxiliary.

Park free in Upland.

Polaroid Shots For Camera Club

Members of Baldy View Camera club will all have a chance to experiment with a new polaroid camera, Tuesday, 7:30 p.m., in the Upland Recreation hall in the Memorial park. A still life setting is to be arranged in a separate room. Each member will take a picture and discussion of the various results will be undertaken by experts.

Members who took photos of Miss Upland, who is Miss Linda Barnhart, at the last meeting, will bring their prints for discussion and display.

Don Bigley, president, has announced a prize for the best member picture of Mt. Baldy. Time for the closing of this contest has not been announced. He indicated a snow picture would be preferred.

Chaffey Bond Election Funds To Help Finish Upland High School

$3,000,000 Sum Sought By Bond Vote Feb. 17

Near completion of the Upland High school campus to serve 2,500 students and the purchase of a site for a new Ontario high school and erection of buildings for about 1,000 students is planned if a $3,000,000 bond issue is approved Feb. 17.

That the Upland campus should receive one half of the proposed bond proceeds was the decision of members of the Chaffey advisory committee in a meeting here Thursday night. Balance of the bond issue would be used in obtaining a 40-acre site between Benson and Central avenues to serve the rapidly growing Monte Vista area.

A suggestion that the bond issue be only for $150,000, enough to finish the Upland High school, was turned down in a committee vote.

"I believe it advisable to give all the people a chance to decide the school situation through the $3,000,000 bond issue" declared John B. Atwood, chairman of the committee. His sentiment was endorsed by others.

DOUBLE SESSIONS LIKELY

If the bond issue is turned down double sessions for high school students at the Euclid Ave. campus will be scheduled. Voters will thus be given an opportunity to decide between providing adequate housing facilities and having high school students on double sessions.

The new facilities resulting from the bond issue proceeds would be available in Sept. 1957.

Under the sponsorship of various Parent-Teacher Assns. and other interested groups and individuals an intensive campaign is planned. Purpose of the campaign is to acquaint voters with the need for additional facilities and the practicability of obtaining those facilities through approval of the bond issue.

NEEDS HERE

Yet to be completed on the Upland campus with the bond issue proceeds are the following: five classroom buildings, auditorium, girls gymnasium, cafeteria-book store building, shop and agriculture building, swimming pool, stadium and lights and transportation and maintenance shops.

Development of the Upland campus to its present status cost $1,500,000, according to figures submitted to the committee by Dan Milliken, superintendent. The 40-acre site cost $122,118, 10 buildings, $1,114,975, equipment and site improvements, $178,990 and architect's fees were $83,917.

STUDENT GAIN SEEN

The advisory committee members were advised that at present the Chaffey and Upland high school campuses have a student capacity of 3,990. Projecting the number of students now attending elementary schools in the area, it is anticipated there will be in 1957-58, approximately 4,370 students in Chaffey and Upland high schools. If additional student capacity is not provided ahead of Sept. 1957, some form of double sessions will be necessary.

Normal Juveniles Subject Of Educators P-TA Talk

Frank O. McIntyre, director of public relations, California Teachers Assn., southern section, will address the Sierra Vista P-T A meeting today, 7:30 p.m. in the multipurpose room of the school. "Juveniles who are Not Delinquent", will be his subject.

Besides a varied background in teaching, over a period of many years, Mr. McIntyre has always worked closely with business interests and was a former director of a Nebraska Chamber of Commerce.

His hard hitting, but humorous talk focuses the spotlight on the 98 percent of youth who are not delinquent, according to Mrs. Vaughn Dunlap, program chairman.

The program will also include an accordion solo by Arturo Perez and a violin solo by John Whitaker, fifth grade students.

Refreshments will be served by fourth grade mothers, under the chairmanship of Mrs. Alfred Elliot and Mrs. Lawrence Crowley.

Four Year Membership For 10 Girls in Troop 19

Troop 19 Girl Scouts held their fourth birthday anniversary party and court of awards when 48 badges were donated to the 17 members. Parents, sisters, brothers and friends also attended and there were about 45 present in the Girl Scout house for the occasion, Friday evening.

The troop is unique in that 10 of its members, all in the sixth grade, have been in the troop since it was organized. They are: Susan Brewer, Kathy Gwillum, Patsy Swihart, Barbara Johnson, Ann Reading, Mary Earl Skewis, Jeanie Tropani, Bonnie Thrasher, Cheryl Todd and Linda Kay Smith. Bonnie Mackensie, who has been a girl scout for four years, has been in the troop for one year. Marilyn Maxwell and Marie Kulhavy have been in the troop three years and the following remaining members have been in it for two years.

Carol Loy, Florence Wood, Patricia Hicks and Kathy Revel.

Mrs. Donald D. Swihart and Mrs. Corydon Smith are the leaders.

Guests included:

Mrs. C. R. Brewer, Gary and Stevie, Mr. and Mrs. J. R. Gwillum, Mrs. Mildred Hicks, Mr. and Mrs. L. T. Kulhavy and Carol, Mr. and Mrs. R. T. Rine, Mr. and Mrs. H. J. Reading, Mrs. F. E. Revel, Mr. and Mrs. D. D. Swihart, Mrs. Janie Tropani, Mr. and Mrs. J. R. Thrasher, Mrs. R. L. Todd and Sharon, Mr. and Mrs. Corydon Smith, Mrs. W. W. Wood, and Mr. and Mrs. Robert Sainz and Vincent.

16 Per Cent Gain

Kaiser Steel produced 1,485,000 ingot tons of steel in 1955, an increase of 16 percent over 1954, it was announced by Jack L. Ashby, vice president and general manager. Total rolled steel product shipments will approach one million tons, as compared to 810,000 tons the previous year.

County Population Hits 418,000

Population of San Bernardino county hit a new high of 418,200 people at Jan. 1, California Taxpayers' Assn. has estimated.

The county's population is 136,558 or 48.5 percent greater than the 281,642 shown at the time the 1950 census was taken.

During the year 1955 the county has gained some 32,800 people, or 8.5 percent from the Jan., 1955, figure of 385,400 the association estimated.

For the state of California, population is at a new high of 13,465,000 — an increase of 27.2 percent since the 1950 census and a growth of 5.2 percent during the one year 1955, the association estimates.

High School Housing Problem; $3,000,000 Is Needed Soon

Join with us for a few moments and put ourselves in the position of having to decide on how best to provide educational facilities for the high school students of our community.

It takes about two years from the time money is available until a new school building is ready. You are aware of the tremendous population growth throughout the Chaffey district.

It is likely that if no more classrooms are provided by Sept. 1957, high school students will be on "double sessions" at the Euclid Ave. campus and the present capacity of the Upland high school will be inadequate.

Shall we take immediate action now to provide for the necessary classrooms? Or, shall we wait until later, a year or so, and let the students get a taste of double-session high school education?

Or, as good citizens, vitally interested in the education of the children in our community, shall we do something right now to meet the situation? What can be done?

It will take at least $1,500,000 to finish the Upland high school campus so 2,500 students can be served. At the same time, it will take at least $1,500,000 to buy a site for a new high schoool campus in Ontario and to provide enough classrooms on that campus for about 1200 students.

In other words if we had $3,000,000, the construction of classrooms could be up to schedule with the anticipated needs. By September of next year, the facilities would be ready.

Construction costs have been increasing. There is no likelihood of any immediate decrease. It will take about 40 acres for an adequate high school site in Ontario. Cost of the land is going up, not down.

It is not difficult to anticipate the high school population for the next few years. Just note the number of pupils in the junior high schools and elementary grades. You have the answer.

The Euclid campus will be overcrowded very soon and the first unit of the Upland campus will be used to capacity during 1957-58.

And so the answer is up to you.

It so happens, a bond issue of $3,000,000 is scheduled for an election Feb. 17 — a month hence.

We heartily concur in the action of the Chaffey board of education in calling this election. To have delayed the question would have been short-sighted and an act of negligence.

Howard Mason Deserving In Receiving High Honor

Howard Mason has received a very deserving honor.

He has been named the outstanding Boy Scout worker, a citizen of distinction, a leader among men and boys and a man who has given much of his time and effort for others.

In the Old Baldy Boy Scout council annual meeting Friday night, the distinguished Uplander was given the coveted "Beaver Award." This goes annually to the person who through the years has given outstanding service to the organization and to his community.

Mr. Mason, who for many years has placed the Boy Scout work at the top in his interest and effort, was the principal leader in recent years in this area in obtaining money for the establishment of a 440 acre Boy Scout camp in the High Sierras and for placing the Old Baldy council office in a home of its own on a large tract near Claremont and Upland.

In other years, he was always a leader in the local group, doing far, far more than would be expected of any citizen in furthering the development of the Boy Scout organization.

He also had to be more than just a "Scouter." He had to have other interests and be active in other projects to qualify for the Beaver award.

Mr. Mason is an example for others. His work is an inspiration and his influence will be long felt in the community.

Change In Mail Route?

Some residents living in Upland are still required to get mail through the Ontario post office. This is true for some persons on W. Seventh St. That is an odd situation for the people involved and for others.

The Upland school boundary line has just been changed to include all of Upland. It would seem that the next good move would be to suggest to postal authorities that all persons north of the San Bernardino freeway be privileged to obtain mail in their home community.

Dr. James Latimer — This Life We Live

boat was pushing its way out to a country church where he was to administer the ordinances the following day. The robbers left him anchored in the middle of the canal at three o'clock in the morning with oars gone, the boat stripped, and without a single item of his belongings excepting the pajamas he was wearing. He did not even have a pair of socks. I was interested to learn how he got back home, twenty miles away, on a Sunday morning and barefooted. The audience felt sorry for him and thought there was something wrong with me if I thought it was funny. Perhaps there was, and possibly my religion is not melancholy enough.

On a tour of the war hospitals Frances Langford was told about an American boy who had lost both arms, had cuts all about his face and body and was so morose that he had not spoken a word in weeks and weeks. When she came to his cot she sang, "Embrace me, Embraceable You". The sadness slipped out of that boy's soul and he not only smiled but said, "It's all right Miss Langford; I understand". He was lifted up and from that day on talked to his bunk mates in the ward. He got well.

Friend of mine, do not draw your face down; just spread it out a bit.

LAUGH AND LIVE

Some time ago Bob Hope wrote that he was once invited to occupy the pulpit on Sunday morning in Shrevesport, La. He declined, so he said, because his business was to make people laugh, not to give religious instruction. A few nights later he had an interesting dream. He saw himself in that pulpit speaking to the waiting congregation that had come to worship God. He soon saw a nice old lady smile, possibly the first time in many years. Then he heard a man laugh, and saw a deacon nearly roll out of his seat. He wakened in a cold sweat. Then he wrote "Yet many people think Religion is a Melancholy Thing!"

I know what he was writing about. I was once invited to speak at a dinner meeting in a church where I had appeared on several occasions. I wanted to give them something different, and I did, and hung myself. I spoke that night on some things we do not write home about. I told them of a nice old Chinaman who called me a liar. He asked me if I had not heard that the Chinese were the greatest liars on earth, and I agreed. Then he said that some other people stay in China so long they get just like the Chinese. He laughed at his joke and was still laughing when he left our place. I laughed with him.

Then too, I thought it was funny when a missionary friend of mine was robbed one night as his

Sharps and Flats

By CHUCK BARLOW

This dog business has grown to fabulous proportions. The average food market stocks more brands of dog foods than it does any other canned or boxed goods specialty. Canned dog food ranks among the top sellers in canned goods items.

Pet hospitals have as their major source of revenue the care of Bowser, Tige, or Fifi as the case may be. Dog trainers are now recognized specialists and local dog shows attract as many as 5,000 people on a single day.

Being somewhat of a dog lover myself, and not the cynic my wife claims, I indulge my friends in their canine whims but not without comment.

At one time I was in on the bottom floor of this dog business. I was ghost writer, in 1936 while editing a cowtown weekly in Nebraska, of a "Toast to an Irish Setter", which appeared in Dog World and was reprinted in numerous magazines and newspapers.

The country was dog crazy then but I didn't realize how crazy. Then was the time to get in on manufacturing end of a dog food that would have been a household word now.

Business had even gone to the dogs when I wrote that toast. The kids started to school that fall without shoes and proper clothing because of the fourth straight year of crop failure and low farm prices.

Editorially, there was a lot more to do than write toasts to dogs. Many people at that time would have relished a can of the horse meat now used in canine menus.

A local mail carrier had a kennel of Irish Setters. He was a bachelor and it was a darned good thing. It took all his wages to feed those dogs. After a series of shows he was awarded the International Championships, in both male and female divisions to Irish Perfection and Nancy of Homerville. He was proud but mighty poor.

Will Judy, editor of Dog World, wrote to this mail carrier asking that he write a toast to an Irish Setter to appear with an article about the two winners. This mail carrier was lacking in literary attainments and consequently farmed the job out to me.

My interest up to that time in dogs had been confined to one American Brown Spaniel that knew more about hunting than I did. It never dawned at that early date the importance dogs would play in American lives.

Here in Upland we find hundreds of families who are slaves to their dogs. For instance, I thought Col. D. J. Rutherford had a kennel at his home on N. Mountain Ave. Every time I saw him downtown he explained this truency from his vested acres because he had to buy dog food.

This didn't happen once, it happened at least four times before I learned he was making this trip for the solitary purpose of buying dog food for one dog.

Frank Thorpe was paying for a case of canned goods the other day when I walked into a food store. I stopped to visit for a minute and noticed he was buying a case of pet food. When asked about the quantity purchase he explained he was boarding a couple of cats for relatives as well as his own dog and cat tribe.

The unappreciative ball of fur that rules our home dines once a day on a special diet including canned horse meat. In case a deviation is made from the diet she immediately has a gastronomic upset.

My old Spaniel would eat anything he could chew and digest anything he could swallow. And as many times a day as he could find a source of supply.

A few weeks before Christmas a friend called and said he had promised a little girl a puppy for Christmas. Could I find him a Cocker Spaniel puppy at a reasonable fee. He mentioned $15 as being about all he cared to pay.

Any old kind of a Cocker puppy will cost $35, I was told by my dog-connected friends. My puppy shopping went to no avail. The more I shopped the more convinced I became that there was no such thing as a common mongrel anymore.

The last time I paid the bill at the animal hospital for our ball of fur a lot of things flashed through my mind. But paramount was the thought that during the depression the money I was spending on this dog would have bought groceries for a large family for two weeks.

Which doesn't prove a darn thing. You couldn't buy our dog.

Bond Election Officers Named

Persons to handle the Feb. 17 Chaffey bond issue have been named. Fifteen voting places will be maintained.

Three persons have been named for each precinct. Serving in this area will be the following:

Time Passes

15 Years Ago

Establishment of the Cucamonga Grape festival on a permanent basis, with the granting of $6,000 in state funds, practically assured, was moving toward realization. The festival was set for late August.

Upland and Ontario were scheduled to jointly file a WPA project for construction of an addition to the sewage disposal plant in Ontario.

The city loaned $2,000 to the Upland Housing authority, to be used in the preparation of the formal application for $550,000 which was "earmarked" by a federal agency for this district.

Creation of one-way traffic lanes on Euclid Ave., was the chief traffic problem, according to Ernest C. Mehl, police chief.

Fred H. Jacobs was re-elected secretary-treasurer of the Magistrates Assn. of San Bernardino county.

Bicycle and scooter riders were warned by the Chief of Police to keep off the sidewalks.

25 Years Ago

A campaign was launched by the Upland Chamber of Commerce to obtain a new federal building to house the post office. Efforts were also being made to get a new Santa Fe depot and to improve the appearance of the southern boundary line of the city.

Dr. Bert Foster, for the 11th time, presided at the annual meeting of St. Mark's parish. He commended parishioners on their loyalty and united interest in every new work undertaken. The following were elected to the vestry and board of trustees: The Rector, G. A. Hanson, L. A. Weller, H. S. Campbell, W. S. Avery, Dr. J. A. Colgan, Glenn D. Smith, H. M. Shattuck and J. W. Smith.

Pedro Espino, as an outstanding young worker among Boy Scouts was awarded the Harmon foundation scholarship for 1930. It was one of 52 awards given in the U.S. to Eagle Scouts, under 21 years of age. Pedro, 18, was the son of Mr. and Mrs. Antonio Espinosa, 725 E. G St. He led one of seven troops under Lex Lucas. All work being made possible through financial assistance of Mr. and Mrs. George Winter. Plans were being made to have the winner head a tour of Scouts in Mexico.

West End Water Co., Upland Water Co. and Mountain View Water Co. amalgamated with William Springer as the president of the mutual companies.

Uplanders were contributing to a relief fund for victims of U. S. areas hit by drought.

A new jury selection system for the Upland Justice Court. Fifteen representative persons were to be selected instead of 50, as in the past.

34 Auto Crashes Here in Month

Thirty four automobile accidents were reported in Upland during December with 58 vehicles involved. Of this total, 16 were local cars and 16 persons were injured and one person was killed, according to the figures filed with the Upland city council by Police Chief Ralph H. Palmer.

Total of 343 traffic citations were issued and 35 criminal arrests were made. Four curfew violations were reported.

Another phase of the police department activity was the handling of stolen property. Value of property reported stolen during December was $1,408.98 and property recovered had a valuation of$2,450.

Business license collections during the six months total $15,259, almost identical with the total for the same period of last year, Mrs. Mildred R. Puckett, license collector, reported.

Ten fire alarms were received by Fire Chief Howard Paulin's department last month, he reported with property valued at $54,850 involved. All but one of the fires was handled by the regular personnel, one call to an Euclid Ave. residence being for all members of the volunteer department.

Yesterday Today and Tomorrow

By GERRY McGEER

Having once been booed for giving an unpopular decision as a judge at a talent show I have since approached such duties with some trepidation. It's a pleasure and an honor in many ways, as was the case at last week's student hobby show at the Upland Elementary school, but I keep remembering those angry little boys who were so annoyed when their favorite didn't come out on top.

It was an amusing experience and I admired their quick response. The difference was that they were judging a friend and my job was to judge respective talents. The decision stood.

Judging last week's talent show was for the judges, including Officer Ian Richardson and George Livesey, very difficult.

There weren't enough prizes to go round. That was our problem. Both the boys felt that all the children should have had prizes.

Something else was involved in the hobby show and it is offered as a guide for the arrangers of future hobby shows.

When we came right down to the judging we had to approach it from the level of all the children involved. That meant that prizes in all classes were awarded for hobbies available to every child. All children could have competed with any of the hobbies that won.

This is written because there is a definite possibility that the hobby show will be an annual event.

It is most commendable and desirable for parents and children to share hobbies.

We suggest to future organizers that they have a separate class for these entrants. Also, that there be a special class for specialized skills and artistic endeavors that are encouraged and increased with tutoring.

The two Brown sisters had some unusual art work on display that was most outstanding. The colors were wonderful and many people at the show must have been keenly interested in this work. Young Patsy Swihart displayed all her trophies won in 4H work. We've often wondered why there isn't more 4H activity in Upland.

Many fathers at the show must have been fascinated by the racing trophies won by the two List boys and the midget cars on display made by their father.

The show opened many eyes and as far as children go it was of real importance in showing the many, many activities available for their interest.

Hobby shows have been taken up as community projects in many cities. We hope the show in Upland Elementary grows beyond the school, with all schools participating in preliminaries leading to a final grand annual show.

Classmates Party Guests

Miss Jo Ann Dalla Rosa was honored recently at a dinner party in the home of her parents, Mr. and Mrs. Albert Dalla Rosa, 300 Elizabeth lane. The occasion was her 13th birthday anniversary and the hostesses were her sister, Jane Dalla Rosa, and Elizabeth Lynch and Sandra Gielow.

Guests were Jo Ann's seventh grade classmates.

Games were played with prizes won by Margaret Anderson, Denise Bryant, Sandra Gielow, Mary Barcelona and Sandra Benedict.

Also present were Linda MacLaren, Patricia Dietzel, Mary Lou Lopez, Sarah Miller, Carole Crosly, Glenda Serra, Julie Jackson, Leilani Jones, Diane Bartz, Teresa Gillespie, Rita Donatic, Codene Hadsel, Margaret Verdugo and Vicki Islos.

Mr. and Mrs. L. L. Donnan, 805 W. Ninth St., have returned home after a vacation in Arizona.

Once, the making of patch-work quilts was the occupation of every pioneer woman. Mrs. James Livermore, 8312 Arrow Hwy., took it up as a hobby 20 years ago and doesn't remember how many quilts she has made in that time. She is pictured with her granddaughter, Diane Bateman, a student at Cucamonga school, explaining the patterns of three of her quilts. She is holding the flower pattern. Center is the windmill design and right is one called "Hands All Around." All are authentic pioneer designs.

Mrs. Livermore's Two Hobbies Keep Her Busy For Many Years

By GERRY McGEER

Mrs. Henry John Livermore 8312 Arrow Hwy., Cucamonga, has two delightful hobbies.

Since she came to Upland in 1920 she has kept scrap books. Actually her interest in current affairs started in Clinton, Ontario, Canada, which was her former home. Her other hobby is of a later date. She took up quilting and the making of patch-work quilts when Mr. Livermore died in 1936.

There's scarcely an event or a personality since Mrs. Livermore started to work with a pair of scissors, a pot of paste and scrap books, that isn't included in her books.

It gives one a slightly introspective feeling to thumb through the pages and see the new born Diones, Shirley Temple, pert and pretty, the details of the Lindbergh kidnapping, Aimee Semple McPherson and Ernie Pyle.

I'd forgotten that the ruling head of Britain gives a $25 bonus to the parents of quintuplets! Details of this piece of news which received a startling world press were fully chronicled.

When Earl Hawthorne was leading the Upland Boy Scout Troop No. 4, Shirley Temple presented awards to members of the troop. All the members of the troop are married now and have 34 children among them. Mrs. Livermore's son James, now in LaVerne, and her grandson, Eddie Robertson, now living in Ontario, were both members of the troop.

All of the news wasn't current at the time it was printed and pasted. There's quite a bit about Mother Shipton's, prophesies reading of which are likely to make one's hair stand on end.

SERVICEMEN'S NEWS

Possibly of greatest interest to Uplanders is the news Mrs. Livermore saved about Upland's servicemen. Within those pages are encompassed a lot of bravery and a lot of heartache, gladness and rejoicing when World War II was ended. During that time there is a story about the coming to this district of several hundred Italian prisoners of war who were very happy to be out of the fighting.

I learned some things about Upland and Upland people, as well as Upland events. Never knew before that Upland, like Capistrano, has an annual date with swallows.

Mrs. Livermore hasn't been such an active scrap book hobbyist for the past two years because she suffers from arthritis. This hasn't stopped her from making her pretty colorful quilts and she can't recall just how many she has made.

HAND-STITCHED QUILTS

Her quilts, beautifully made, are all hand stitched in some of the quaint old patterns that have been favorites since pioneer times.

Mrs. Livermore is an expert at quilting, a rather exacting art, which requires small even stitches, through several layers of material. Anyone who has tried it knows it is difficult as well as quite a physical effort.

We left her explaining some of the intricacies of design to her granddaughter, Diane Bateman, daughter of Mr. and Mrs. B. B. Bateman.

Beta Sigmas Breakfast

The Rho Chi chapter of Beta Sigma Phi met recently in the home of Miss Pat Anderson, 1008 E. G St., Ontario, when plans were made for members to attend a breakfast in San Bernardino, sponsored by the Southern California council.

A pledge training program followed the business session. Refreshments were served by the hostess.

Attending were Mesdames Harry Brewer, Harry Barbee, Hubert Harris, Henry Hestor, John Helgeson and Wade Hott, member advisor, and the Misses Adeline Fernandez, Mary Glain, Myra Svoboda and Betty Nelson.

Chaffey Wives Arrange Ball

Chaffey Wives will hold their Snowflake ball, Saturday, 8 p.m., in the Student Union building at Chaffey, when hostesses will be under the chairmanship of Mrs. Rex Wignall and Mrs. Louis Gentile.

Decorations are being arranged by Mrs. Eugene Larson. Mrs. Clarence Calhoun is in charge of ticket sales.

New for citrus growers!

DuPont

NUGREEN L-B

A Low Biuret Nitrogen . . . to cut costs, speed growth response

Now, citrus growers can profit from all the advantages of urea foliage sprays. "NuGreen" L-B – a special formulation for citrus –makes it possible. The purity of "NuGreen" L-B guarantees a biuret content of less than 0.2% (well below the percentage set by the Citrus Experiment Station of the University of California.)

Simply add "NuGreen" L-B to your regular pesticide sprays. It dissolves readily in water and is rapidly absorbed by citrus leaves. The crop gets a nitrogen boost almost instantly.

"NuGreen" L-B saves you time, labor and handling costs. It's concentrated–45% nitrogen in easy-to-handle granular form. A little goes a long ways. And with "NuGreen" L-B you eliminate a nitrogen loss from leaching.

Citrus Experiment Station report:

Recommended dosage for a urea foliar spray is 5 to 7½ pounds of the material to 1000 gallons of water. Timing should be such that it slightly precedes the critical periods of fruit setting and "June drop." Only urea containing less than 0.25% biuret is safe to use in foliage sprays on citrus since greater amounts of this impurity may cause serious "yellow-tip."

Meet a man of steel

...A. MICHAEL (MIKE) LAHTI

HERE IS A MAN who changes his hats but never his objective.

At 6:00 PM on a typical day Mike Lahti may be presiding as Commander of the Disabled American Veterans; at 7:00 PM he'll be helping out at a Cub Scout meeting; and 9:00 PM may find him leading a citizenship discussion at the P.T.A.

Why is he so active in community affairs? Mike says it's like a snowball—once you get started, one effort leads to others and you become so interested there's no place to stop.

Mike is an Instrument Man, 1st Class, in the utilities department at Kaiser Steel and a member of United Steelworkers of America, Local 2869. His interest in instruments started in Wakefield, Michigan during high school days when he worked in his uncle's garage.

After graduating from high school, Mike was all set for college. Then a friend said he'd enlist if Mike would, and both went to work for Uncle Sam.

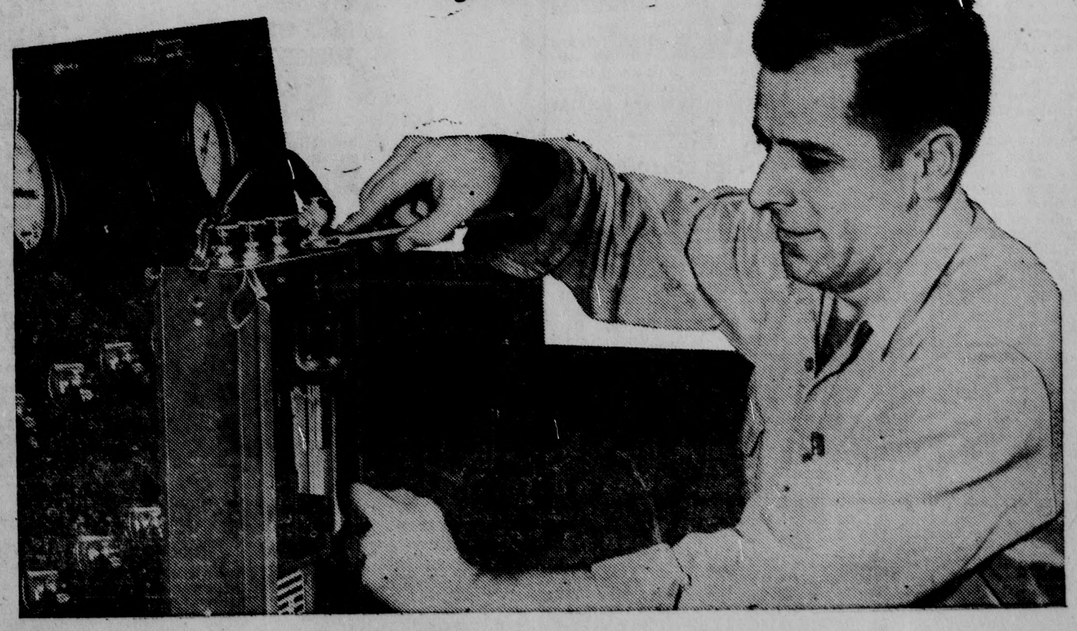

Soon after enlistment he found himself in the invasions of North Africa, Italy, Sicily ... and finally, badly wounded, in a hospital in Oran. He was evacuated from Italy on his birthday, Dec. 31, 1944.

His interest in helping other disabled veterans and their families is an important part of Mike's life. It's an interest shared by his wife and three children. Mrs. Lahti is Jr. Vice Commander of the local D.A.V. auxiliary, helping out Commander Mike.

We think that the attitude of Mike Lahti toward his community is shared by the great majority of men and women at Kaiser Steel. By their active support of our civic organizations they are demonstrating the truth of the axiom that people who work together grow together.

Kaiser Steel is dedicated to this same belief.

Students Work in Business

James Fero, (right), assistant cashier of the Bank of America, Upland, came to the Chaffey College Merchandising club breakfast with Bill Freitas, Fontana student at Chaffey who is an employe of the Bank of America, Upland [illegible]. All of the employers present at the event were heartily in favor of the co-operative program which is taught by Elwood Chapman.

Larry Sage, Chaffey college student, works with John B. Atwood of the Atwood Co. in close coordination with his classes as part of the merchandising program. Mr. Sage is the son of Mr. and Mrs. Douglas Sage.

Students, Firms Get Together

Heads of local businesses and Chaffey students who want to know more about business are united today in a practical work-classroom program. Several Chaffey students are employed by local firms and the participants in the program met recently to review the project. Elwood Chapman, head of the Chaffey college distributive program, is instructor and coordinator in the training activity.

Obedience Class Plans Entries

Members of the Madonna of the Trail Obedience club are looking forward to the Orange Empire Dog club show in San Bernardino Jan. 29. Plans for entering this show and in other events were discussed at the recent meeting of the club in the home of Mr. and Mrs. George Solters, 669 N. Laurel Ave. Mrs. Claire Leavitt is president.

Planning to have entries in the San Bernardino show are Mrs. Leavitt, Ray McGinnis and Mrs. Emory Barkow.

A speaker at the meeting was Joseph Van Valen, Etiwanda, who told of the early beginnings of obedience training. He is credited with being one of the first leaders who realized that "dogs needed training to be healthy, happy and join in the home, instead of ill-behaved, spoiled pets that no one could enjoy".

An obedience practice match was held in Pasadena Sunday. Among those with entries were Mrs. Jeanne Burton, Mrs. Leavitt, Mr. McGinnis, Robert Franklin, Earle Tucker and Miss Margaret Pooley.

Keith Sexton, Mr. and Mrs. Haynes' grandson, who has been studying at the University of California, Berkeley, where he was given his master's degree in political science, visited last week at the home of his grandparents, Mr. and Mrs. Verl C. Haynes, 280 N. Campus Ave. before entering the U. S. Army.

B.P.W. Club Hears of Europe

An interesting meeting was enjoyed by members of the Upland Business and Professional Women's club with Miss Doreen Hill, presiding. The meeting was held in the Upland Woman's clubhouse Thursday night.

Miss Eva Bemis, former district president of the B.P.W. club, showed colored slides of her recent trip to Europe and Mrs. Emra Nicholson, San Orco district chairman of international relations, spoke on opportunities for expression on program planning from the grass root level. Community singing was enjoyed with Mrs. William Wilding, pianist. Mrs. Doris Archibald, Fullerton club president, was endorsed for San Orco district president.

Hostesses were members of the International Relations club, Miss Frances Barks, Mrs. W. Merle Rash, Mrs. Douglas Black and Miss Jessie Brown.

Guests included Mrs. Agnes Mathias and Miss Eunice Mitchell. White and pink snap dragons decorated the tables. Mrs. Joe Sietz was in charge of the guest book.

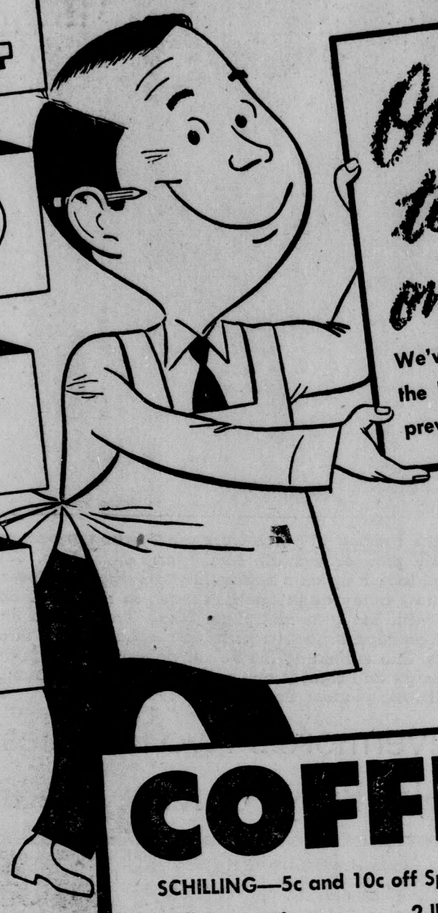

At The Hospital

Recently hospitalized were Phillip B. Heavenston, 6, son of Mr. and Mrs. Don L. Heavenston, 7520 Camino Norte, Cucamonga; Carol Ann Bradley, 5, daughter of Mr. and Mrs. Donald Bradley, 10092 N. Mountain Ave., Mrs. Tom Lynch, 365 S. Vine Ave., for medical treatment; Mrs. Donald Fry, 9030 Leeds Ave., Cucamonga, medical treatment;

Ronald G. Gill, 2, son of Mr and Mrs. John P. Gill, 9336 La Grande, Alta Loma, medical treatment; Oliver Markley, 9395 San Bernardino, Cucamonga, medical treatment; Edward Hamilton, 329 N. Campus Ave., surgery; George P. Collier, 444 Ninth St., surgery;

Mrs. Upland Sought to Compete In Annual Mrs. America Contest

Mrs. Don Bowers, shown above, was Mrs. Upland in the 1955 contest. Candidates are now being sought for the Mrs. Upland of 1956.

Saluting Upland homemakers, it is announced today that a community-wide contest will be conducted to find the number one Upland housewife. According to advance plans the competition to select Mrs. Upland will be conducted under the auspices of one of the city's leading civic organizations.

Upland homemakers, married, and at least 21 years of age, are eligible to enter the 18th annual competition for the national title and more than $15,000 in prizes, as well as a share of the some $10,000 in prizes to be awarded to California contestants.

The announcement states that the Mrs. America Contest is not a bathing beauty competition but a test of homemaking abilities. Although personality and personal appearance will be considered in the judging, the major emphasis will be on housekeeping.

Application blanks are available at Upland gas appliance dealers, DeSoto dealers, gas company offices and local supermarkets.

The Upland competition, is one of a series of elimination contests to be held throughout the state, culminating in the naming of Mrs. California, at a final contest in the Cocoanut Grove of Los Angeles' Ambassador Hotel, in April. The state winner, with her husband, will go to Ellinor Village, Ormond Beach, Florida for the national finals the second week in May.

The 18th annual Mrs. America Contest is being conducted nationally under the auspices of the American Gas Association and Mrs. America, Inc.

Mrs. Lehman Buried Saturday

Mrs. Chester L. Lehman, 56, died in a San Bernardino hospital, Wednesday, after an illness of four years.

Mrs. Lehman, who was born in Seoul, Korea, came to California when she was six years of age. All her life since, with the exception of four years when she was a missionary in Africa, was spent here.

Besides her husband, who resides at 842 W. Arrow Hwy., she is survived by her mother, Mrs. Alton M. Brooks, Los Angeles; three daughters, Mrs. Clarence Lefler, Twentynine Palms; Mrs. Samuel Ross, Pasadena and Miss Lois Lehman, Upland; one son, David Lehman, Upland; three sisters, Mrs. Owen Burman, Corona, Mrs. Kingsley Niven and Mrs. Ila McCann, Mexico City; one brother, Paul Brooks, Los Angeles, and four grandchildren.

The funeral service was held Saturday, in the Stone Funeral home, with interment in Pomona cemetery. The Rev. Fred K. Wells, pastor of Pilgrim Holiness church, Pomona, of which Mrs. Lehman was a member, officiated.

New Numbers In Use; Huge Gain In Phones Seen

New telephone numbers are being learned today by people in the district.

Placed in use at 12:01 a.m. Sunday, was the General Telephone Co.'s new building on W. Foothill Blvd. and with it a new numbering system for every telephone user north of the San Bernardino freeway. A dozen Upland residents and many company officials were present to observe the turn of a switch that placed the new system into use. Nineteen persons were at a banquet in RoVal's Saturday night, following which the group inspected the new building.

In 1936, 1,400 telephones were serviced out of the Upland office and today approximately 6,600 instruments, including extensions, are in use here, Dean M. Barnes, operating vice president of the company, told the group at the banquet.

"We think we have provided adequately," he observed in noting that the building erected on E. Ninth St. a few years ago was expected to be adequate. "We anticipate that eventaully 45,000 instruments will be in use here and we have planned accordingly.

He said the change in numbers was necessary to conform to a previously adopted nation-wide system to avoid duplication of numbers. He explained "Yukon", the local prefix has a meaning to all long-distance operators and that only this area has that prefix and the numbering system. The new equipment and numbering system conforms to the requirements of the customer direct distance dialing plan that is now being put together throughout the nation, according to Mr. Barnes.

Henry T. Powell, local manager, served as host to the group. Among those present from this area were Henry M. Busch, Upland city attorney, Eugene G. Nisbet, city councilman and state assemblyman, Donald Carr, city councilman, Elwin Alder, city manager, Ralph H. Miller, president of the chamber of commerce, George Whitney, chairman of the Upland city planning commission, Vernon V. Paine, publisher of The Upland News, Upland.

Leslie L. Foster, publisher of The Cucamonga Times and Reynold C. MacDonald, president of the Cucamonga chamber of commerce, Cucamonga; Harold Martin, Ontario City manager and Philip A. Sawyer, advertising manager of the Ontario Daily Report, Ontario. Also present were seven officials of the telephone company.

A new exchange building for Ontario is being planned for completion a few years hence.

Stars In "Yes, My Darling Daughter"

"Yes, My Darling Daughter," a comedy, is being presented by the Valley Community theater in the Claremont Woman's clubhouse this week and shown above are David McComas and Mrs. Jack Feeney. Mrs. Theodore Million of Upland has one of the leading roles in the production.

Claremont Group In Comedy Hit

"Yes, My Darling Daughter", a popular comedy hit, being presented by the Valley Community theater, opened in the Claremont Woman's clubhouse, 343 W. 12th St. in Claremont last night. Presentations will continue through Saturday night.

Mrs. Theodore L. Million, 677 Ukiah way, Upland has been cast in one of the leading roles in the play. Originally from Wyoming, Mrs. Million has traveled extensively throughout the United States and has lived in Upland for four years. She is a graduate of Pasadena Junior college where she studied dramatics, and attended the University of California at Santa Barbara. While at Pasadena she appeared in many dramatice productions. In addition, Mrs. Million is an accomplished vocalist, having sung in both radio and concert. At present she and her family reside in Upland.

"Yes, My Darling Daughter", has continued to enjoy top popularity in stock productions for many years. With its apt title, taken from the nursery rhyme about a mother's permission to swim - but without going near the water. The comedy tells the story of a woman's dismay when her daughter dares to make the same defiance of the conventions that the mother had made in her youth.

Along with Mrs. Million in the cast are Mrs. Jack Feeney, Mrs. Frank Child, Margaret Hill, all of Claremont; Paul Collier, native Uplander, now of Pomona, and David McComas also of Pomona.

Season tickets are still available and all seats may be reserved by calling Ly 5-3581.

$194,000,000 Is County Share of Federal Budget

The 418,200 people of San Bernardino county will pay an estimated $194,000,000 as their share of the $65,865,000,000 Eisenhower budget proposal for fiscal 1957, California Taxpayers' Assn. has reported.

Sierra Vista Makes Plans

Sierra Vista P-T A board met in the home of Mrs. Harold Camilli, 2415 Sierra Vista Dr., recently, to make plans for the balance of the school and to hear reports. Mrs. Allen Palmer, president, presided.

Mrs. Robert Sherwood, welfare chairman, reported that 18 baskets were distributed to needy families at Christmas time. Because the P-T A clothes closet that is maintained for those in need, is very low at present there will be a drive for clean wearable children's clothing, all this week, at the school.

Named to serve on the Ontario Council nominating committee were:

Mesdames Francis Wilson, chairman, Fred Dundas, Logan Locke and Mildred Closs.

Mrs. Harold Camilli was named ticket chairman for the March of Dimes dance, sponsored by Upland Elementary school, Jan. 28, in the Junior High school gymnasium. Tickets will be available at tonight's meeting.

Refreshments were served. Present, in addition to those previously mentioned were: Mesdames Phiiip Born, Max Lauderback, Gerald O'Steen, Thomas Gibson, Richard Whittaker, Ted Uber, Tom Jones, Harry Brewer, Arthur Lichti, Fred Dundas, Bailey Wishard and Robert Sherwood.

Juniors Ready for Stage Play

Holding a one-night-stand in the Gardiner W. Spring Auditorium Jan. 27 will be Chaffey high school's annual junior class play, "You Can't Kiss Caroline." Pictured above are five Upland area students who will take part. From left to right: Alayne Harris who plays Jeannette; Brenda Cofer, (Shirley); Ken Erick, (Willie); Carol Ford, (Bunnie), and Herb Swartz, (Howie).

Three Act Play Set for Jan. 27

A three act play about teenage life, "You Can't Kiss Caroline", will be presented Jan. 27 as Chaffey high school's annual junior class presentation. Sandra Terry is student director.

Sixteen junior students are members of the cast with Nelson Ford and Margaret Castellini taking the lead parts. Ford will play "Joe", a high school campus leader and football player while Miss Castellini will play the title role of "Caroline".

The play concerns the entrance of a "new girl", Caroline, into a high school community.

Other cast members are: Jim Martens, Ken Erick, Herb Swartz, Alan Swinler, Roger Macioge, Carla Chancellor, Alayne Harris, Brenda Cofer, Sandra Withrow, Mary Strange, Ruthie Jensen, Odette Cooley, and Carol Force. Mary Louise Kaiser is narrator.

54 Days Between Registering and Voting, Is Order

Fifty-four days must span the period between the time a person registers to vote and being able to vote.

Mrs. Lillian Hilde, chamber secretary and deputy registrar, urged newcomers and others to keep this in mind and to register well in advance of any election.

Construction of School Buildings Must Await Increase in Bonding Capacity

School Money May Be Voted In Advance of Work

Many people wonder why a school facility isn't built all at one time. For example, why wasn't Baldy View school built all at once instead of five or six classrooms in 1954 and the emaining classrooms in 1956. This is explained in the following article by Harold W. Cook, superintendent of schools, Upland school district.

5 PERCENT LIMITATION

All California school districts are subject to the five percent limitation with respect to outstanding bonding indebtedness. The voters of a school district are permitted to authorize the sale of bonds in any amount at an official school bond election legally called and conducted by the school district's board of trustees. However, the amount of bonds outstanding at any given time cannot exceed five percent of the assessed valuation of the school district. It is now common practice for the electorate of California school districts to approve bond issues considerably in excess of the individual school district's ability to market immediately.

The five percent bonding limitation answers the equestion asked by many voters — "Why can't the board of trustees of the school district take care of all the capital outlay needs of the school district simultaneously?" Not having the financial ability to provide all facilities as soon as need is evident the governing board of a growing school district is often faced with the necessity of developing a list of building needs arranged in order of priority. As soon as the most urgent needs are met the school district will very likely have developed sufficient unused bonding capacity to provide the financing necessary for the next item or items on the priority list. Unused bonding capacity, of course, is developed in two ways, the retirement of outstanding bonds and-or an increase in assessed valuation.

MORE BONDS SOLD

On Jan. 13, 1953, voters of the Upland school district authorized the sale of $350,000 in bonds. At that time, however, the unused bonding capacity of the school district was $160,000.00. Therefore, this amount only was issued in bonds on the date of March 15, 1953. The major portion of the proceeds from this bond sale was used to pay for the second unit of the Sierra Vista school. As the Upland school district developed unused bonding capacity additional bonds were issued to finance the first unit of the Baldy View school, the shower room-locker room building at the Upland Junior High school and the school district's latest and last project to be financed by the $350,000, authorized by the voters on Jan. 30, 1953, the second unit of the Baldy View school.

Within the next few weeks the board of trustees of the Upland School district will issue a call for a bond election, first having decided on the date of the election, the amount to be voted upon, the projects to be financed by the sale of bonds and the order in which the projects will be constructed.

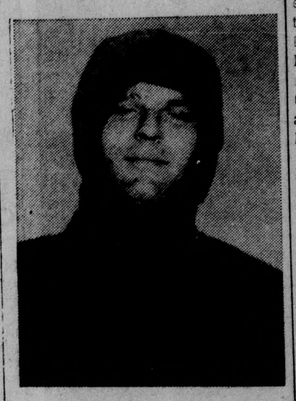

Visitors Seek "Story" Scenes

The Christmas Story, which has become an integral part of Upland's Christmas scene and tradition made an unforgetable impression on two vacation visitors.

Mr. and Mrs. C. Cal Evans, 1136 Saginaw Way, Fresno, have written to the Chamber of Commerce that while in Upland they were much impressed by the "Story of the Birth of Jesus on many lawns of Upland homes". They asked for specific information as to the cost of the figures and where they can be purchased so the same scenes could be used on the lawns of their church next season.

Uplanders will recall that the figures are made by the home owners and the project started at a cost to each of $12. A small annual sum from the Chamber of Commerce has meant no further outlay on the project has been necessary, according to Harry Wright, chairman of the neighbors in the project.

Alta Loma Will Get Cassroom Addition Soon

Two new classrooms are slated for Alta Loma school, according to Floyd M. Stork, superintendent. Plans for the addition to the elementary school are now in the state division of architecture for approval. The unit is for the kindergarten and will be constructed to face on La Grande at the corner of Amythyst Ave. It adjoins the newly constructed kindergarten play yard.

Mr. Stork said bids would be let in February or March, with building starting immediately after.

The new classrooms will be the 10th and 11th at the school plant which has a maximum of about 18 classrooms.

From September through December the average daily attendance at the school increased from 240 to 271 pupils.

Former Hollander Talks On Advantages of U.S. Schools

Mrs. Paul Waszink's comparative talk on the difference in schools in the U.S.A. and Holland, was the program feature at a recent joint meeting of the Cucamonga Central and Alta Loma P-T A's in the cafetorium of Cucamonga school.

Highly praising the California school system the speaker explained that in their younger years children are much more free in U. S. schools.

In Holland, where she was educated, children are pushed, she said. In their first six years they are prepared for higher education and are taught Latin, Greek, French and German. She said no consideration is given to the capacity and the system is one of regimentation. A limited number of schools have adopted more progressive methods.

In Holland there are no P-T A's or other interested parent groups, the speaker said.

Discipline is exceedingly firm in school, lacking the restraint on corporal punishment characteristic of American schools.

In comparison, Mrs. Waszink thought the whole set-up here is to the child's advantage.

Comparative newcomers to this district, the Waszinks came here when he was sent, as an engineer in the steel industry, to report on American plants. As a result, the family moved to California to make a permanent home and Mr. Waszink is now an engineer with Kaiser Steel. They have two young sons.

Fourth and sixth grade students participated in the program. Charades were presented by fourth and sixth graders using speech, pictures and graphs, in presenting the history of aviation.

Mrs. Edward Hanzlik, president of Cucamonga Central and Mrs. Howard J. Kilmurray, president of Alta Loma, poured. Refreshments were served by room mothers of grades four and five.

Nisbet Expresses Bright Outlook For Democrats

Eugene G. Nisbet, assemblyman, told members of the West End Democratic club "there are many able and qualified young men, who are coming to the front, strengthening the outlook for the Democratic party in California and nation-wide.

The club met recently in the Upland Recreation hall in the city park.

"The Democrats, as the opposition party in our two party system of government, has played its part well and has developed leadership that now qualifies the party to take over at the next election," Mr. Nisbet said.

The club will name new officers next month and on the nominating committee are Art Accomozzo, Mrs. William Glider and Anthony Del Vecchio.

A slate of delegates was presented for the Democratic council convention to be in Fresno Feb. 4 and 5.

J. V. Brashear presided at the meeting in the absence of Frank Glover, president.

Decathlon Wins At Sierra Vista

Track and field sports are of major importance at Sierra Vista school. Three years ago teacher Leslie Warden instituted a little Decathlon at the school among boys of grades five and six. The event lasts one month, with each of the 10 events having a possible 100 points. Leon House, teacher, was in charge this year, but Mr. Warden is still keenly interested.

"The boys have gone into Junior High school and racked up some fine records", he said. "They are keenly interested in track and field. It's too soon to say, but some of them might make the Olympics. The main thing is that in the discus and other events they are learning sportsmanship and athletic skill".

The winners, who received their prized ribbons last week, had their own way of expressing their enthusiasm. Tommy Lopez, who placed fourth last year was first. "I like it", he said. Tommy had 898 points out of a possible 1000.

Dick Williams, a newcomer, was second with 846. "I never knew anything about it before", he said.

Philip Rodriguez, who didn't place last year, came third with 842 points. Larry Hartsell scored 816 and Wayne Benes, the only fifth grade boy to place and was in the contest for the first time, came fifth with 808 points. Wayne has his sights on a blue ribbon in '57.

Track and Field Tops At Sierra Vista

Tommy Lopez, fastest sprinter at Sierra Vista school, shows other Decathlon winners how he does it. Leslie Warden, teacher, who instituted the event three years ago, looks on. Other winners, left to right ,are: Wayne Benes, fifth; Larry Hartsell, fourth; Philip Rodriguez, third; Dick Williams, second.

Uplanders Back From 52-Day Trip To South America

Back from a 52-day trip by freighter to nine Central and South American countries are Mr. and Mrs. W. S. Kelley, 202 Sierra Place. One of the most impressive sights for the Uplanders was a daylight trip through the Panama canal.

In high praise of travel on a freighter, Mr. Kelley said they were enabled to spend from a few hours to several days in every port and they obtained a close-up view of people and conditions and saw many scenic attractions along the picturesque route.

The Uplanders are retired and spend much of their time in traveling to interesting spots.
